SCHEDULING YOUR INSPECTIONS

Our team is dedicated to helping ensure your home is ready for upcoming seasons and will reach out to schedule your Cooling and Heating Inspections during the following time frames:

Cooling Inspections

Performed between March - May

Heating Inspections

Performed between September - November

Inspection season closed June-August and December-February.

¹ See the Terms & Conditions of the Membership Rewards Plan for more details, conditions, and limitations. ² You will earn 1 loyalty point for each dollar you spend on membership fees. Loyalty Points may be redeemed to use towards the replacement of furnace or air conditioner and are subject to annual maximums. See your Plan's terms and conditions for more details. ³ Monthly Plan Option is for a month-to-month membership cancellable after 4 months. All memberships auto-renew based on your plan selection (monthly or annual). ⁴ Annualized estimated value is based on current parts, labor and supply pricing and utilization of all discounts, loyalty points, inspections, and other membership benefits.
